

I Shall Live and Declare

PSALM 118 | BESHINY PSALMS

Adapted from Psalm 118

Bring your thanks to the LORD, for He is good
His faithful love goes on for ever
Let Israel raise the song
His faithful love goes on for ever

Let Aaron's household answer
His faithful love goes on for ever
Let all who fear the LORD declare
His faithful love goes on for ever

From a place of anguish I called to the LORD
He answered me and brought me into freedom
The LORD stands with me; I will have courage
What can another person do to me

The LORD stands with me as my helper
I will see my enemies overcome
The LORD is a surer refuge
Than the strength of human hands
The LORD is a surer refuge
Than the power of rulers

Lord, You are my strength and song
You are my saving God
I shall live and declare
The mighty works that You have done
Your strong right hand is raised
Songs of rescue fill Your people's tents
Your love lasts for evermore

Nations closed around me
In the LORD's own name I overcame them
They hemmed me in on every side
In the LORD's own name I overcame them

They swarmed about me like a cloud of bees
They burned away like thorns upon a fire
In the LORD's own name I overcame them
I was thrust so hard I nearly fell
The LORD came to my help

The LORD gives strength and fills my mouth with song
He has become the One who saves me
Hear the cries of joy and rescue
In the tents where righteous people dwell

The LORD's right hand has done great deeds
His mighty hand is lifted high
The LORD's right hand has done great deeds
I shall live, and death shall not claim me
I will tell what He has done

The LORD's correction pressed me hard
He did not give me up to death

Lord, You are my strength and song
You are my saving God
I shall live and declare
The mighty works that You have done
Your strong right hand is raised
Songs of rescue fill Your people's tents
Your love lasts for evermore

Open wide the gates of righteousness
I will enter with my thanks to God
This is the gateway of the LORD
The righteous enter here

I will thank You, for You heard my cry
You have become my salvation

The stone the builders cast aside
Now stands as the chief cornerstone
The LORD Himself has done this
We gaze upon His wondrous work

This day is of the LORD's own making
Together we rejoice in it

O LORD, we pray, come now and save us
O LORD, we pray, grant us success
Blessed is the one who comes
In the name of the LORD
From the LORD's own house
We give you our blessing

The LORD is God; His light has shone upon us
With branches in our hands
We join the feast's procession
Up to the altar of the LORD

You are my God; my thanks rise up to You
You are my God; I lift Your name on high
Bring your thanks to the LORD, for He is good
His faithful love goes on for ever

Lord, You are my strength and song
You are my saving God
I shall live and declare
The mighty works that You have done
Your strong right hand is raised
Songs of rescue fill Your people's tents
Your love lasts for evermore

His faithful love goes on for ever
