

# Where Is the God of Elijah?

BeShiny Music

## OPENING

A mantle lay beside the stream  
A prophet stood alone  
Where is the God of Elijah  
The God his master had known

## VERSE 1

Elijah stood before the king  
And spoke the word of God  
The ravens fed him by the brook  
Through drought he walked with God  
He built the altar stone by stone  
They drenched the offering there  
The water filled the trench below  
Then fire fell at his prayer

## VERSE 2

He prayed that hearts would turn again  
And people bowed in awe  
Then climbed the mountain, bent in prayer  
A cloud rose from the shore  
As small as one man's hand at first  
It gathered wind and rain  
The heavens opened on the fields  
And life sprang up again

## VERSE 3

Yet underneath the broom tree  
He wept and longed to die  
The Lord brought food and gave him rest  
And heard his weary cry  
Elijah shared our human frame  
Our frailty and our fears  
He prayed, and God unlocked the skies  
The same God hears us here

## VERSE 4

Elisha watched his master go  
The whirlwind swept the sky  
He took the mantle to the stream  
And raised that ancient cry  
Where is the God of Elijah  
He struck the waters wide  
The river parted at his feet  
He crossed the other side

## CHORUS

Bold as lions, strong in grace  
Through Your Son we seek Your face  
You are Lord, You are God  
God of Elijah, here with us  
God and Father of Jesus Christ  
You have raised us into life  
You are Lord, You are God  
God of Elijah, here with us

# Where Is the God of Elijah?

## VERSE 5

Then John stood in the Jordan  
And called the crowds to turn  
With Elijah's spirit and power  
His words within them burned  
Prepare the way before the Lord  
Make straight the paths for Him  
He pointed them to Jesus Christ  
The Lamb who bears our sin

## VERSE 6

Then Jesus came to John that day  
And entered Jordan's flow  
The heavens opened over Him  
The Spirit came like a dove  
The Father named His own dear Son  
And spoke His deep delight  
The One who walked into those waves  
Would lead us into life

## CHORUS

Bold as lions, strong in grace  
Through Your Son we seek Your face  
You are Lord, You are God  
God of Elijah, here with us  
God and Father of Jesus Christ  
You have raised us into life  
You are Lord, You are God  
God of Elijah, here with us

## LIFE IN CHRIST

You bore our sins upon the cross  
And rose beyond the grave  
Baptised into Your death and life  
We live in You who save  
Our sins forgiven through Your blood  
Made righteous by Your grace  
Your Spirit cries within our hearts  
Our Father, we seek Your face

## DECLARATION

When old accusations rise  
We stand in Jesus' Name  
The Father's children, joined in Christ  
His goodness we proclaim

## PRAYER

God of Elijah, hear our prayer  
God of Elisha, You are here  
God of John the Baptist, hear  
Your sons and daughters drawing near  
God and Father of our Lord  
Jesus Christ, Your precious Son  
Through the waters, by Your Spirit  
You have joined us into one

## FINAL CHORUS

Bold as lions, strong in grace  
Through Your Son we seek Your face  
You are Lord, You are God  
God of Elijah, here with us  
God and Father of Jesus Christ  
You have raised us into life  
You are Lord, You are God  
God of Elijah, here with us
